Discover your next adventure

WanderKit is founded on the values of helping people discover and share **authentic adventures** while **building genuine friendships**.

We encourage our community to use WanderKit as a social tool to connect with people from **diverse backgrounds.**

We believe the best adventures and memories are shared with **like-minded wanderers** from all walks of life.

Why work with WanderKit?

Join our movement to create a new social networking platform & community aiming to bring back **real connections** and **authentic experiences** .

Deliver **relevant** and **personalized content** to target travel and experience seeking audiences at precise the right time.

Collaborate with WanderKit and our adventure advocates to attract **locals** and reach **global travelers/wanderers** to your location.

Trusted partner in creating **multi-channel campaigns** to increase brand/business awareness and drive sales/bookings

Gain live insights into travel and experience industry trends as well as **target audience** needs and behaviors
